Blinded By Your Grace by Uzoechi Osisioma Emenike, Michael Ebenazer Kwadjo Omari Owuo Junior, Fraser T Smith

ALL
I'm blinded by your grace
I'm blinded by your grace, by your grace
I'm blinded by your grace
I'm blinded by your

Lord I've been broken
Although I'm not worthy
You fixed me, I'm blinded by your grace
You came and saved me

Lord I've been broken
Although I'm not worthy
You fixed me, now I'm blinded by your grace
You came and saved me

I said a prayer this morning
I prayed I would find a way
To another day, I was so afraid
'Til you came and saved
You came and saved me

And the rain was pouring
'Cause the sun faded away
Now I'm in a better place
No longer afraid
Blinded by your grace
You came and saved me

I said a prayer this morning
I prayed I would find a way
To another day, I was so afraid
'Til you came and saved
You came and saved me
And the rain was pouring
'Cause the sun faded away
Now I'm in a better place
No longer afraid

Blinded by your grace
You came and saved me

I Wanna Rock! An 80's Rock Medley by Alan Merrill, Jake Hooker, Martin Page, Bernie Taupin, Steve Perry, Neal Schon, Jonathan Cain and Joey Tempest

I Love Rock and Roll

I wanna rock
I want to rock
Wooh….

I love rock and roll
So put another dime in the juke box baby
I love rock and roll
So come and take your time and dance with me

I love rock and roll
So put another dime in the juke box baby
I love rock and roll
So come and take your time and dance with me…….
Ah……

We Built this City on Rock and Roll

We built this city
We built this city on rock and roll
Built this city
We built this city on rock and roll….

Marconi plays the mamba
Listen to the radio
Don't you remember, we built this city?
We built this city on rock and roll…..

We built this city
We built this city on rock and roll
Built this city
We built this city on rock and roll….

Don't Stop Believing

Just a small town girl
Livin' in a lonely world
She took the midnight train going anywhere

Just a city boy
Born and raised in South Detroit
He took the midnight train it goes on and on and on and on

Strangers waiting, up and down the boulevard
Their shadows, searching in the night
Streetlight people, living just to find emotion
Hiding somewhere in the night…..

Don't stop believing, hold on to that feeling

Streetlight people….
Don't stop believing, hold on to that feeling
Streetlight people….
Don't Stop!

The Final Countdown

We're leaving together, but still it's farewell
And maybe we'll come back
To earth who can tell?
I guess there is no one to blame
We're leaving ground
Will things ever be the same again?

It's the final countdown
The final countdown

Ah……..

I gotta rock rock rock rock
I love woo……..rock!

Blinding Lights

I've been tryna call
I've been on my own for long enough
Maybe you can show me how to love, maybe
I'm running out of time
'Cause I can see the sun light up the sky
So I hit the road in overdrive, baby

The city's cold and empty
No one's around to judge me
I can't see clearly when you're go o one (gone)

I said, ooh, I'm blinded by the lights
No, I can't sleep until I feel your touch
I said, ooh, I'm drowning in the night
Oh, when I'm like this, you're the one I trust
Hey hey hey!

(music)

I said, ooh, I'm blinded by the lights
No, I can't sleep until I feel your touch….

Surface Pressure

Pressure, like a drip, drip, drip that'll never stop, whoa
Pressure that'll tip, tip, tip 'til you just go pop, whoa, oh, oh
Give it to your sister, your sister's older
Give her all the heavy things we can't shoulder
Who am I if I can't run with the ball?
If I falter

Pressure like a grip, grip, grip, and it won't let go, whoa
Pressure like a tick, tick, tick 'til it's ready to blow, whoa, oh, oh
Give it to your sister, your sister's stronger
See if she can hang on a little longer
Who am I if I can't carry it all?
If I falter

Pressure like a grip, grip, grip, and it won't let go, whoa
Pressure like a tick, tick, tick 'til it's ready to blow, whoa, oh, oh
Give it to your sister and never wonder
If the same pressure would've pulled you under
Who am I if I don't have what it takes?
No cracks, no breaks
No mistakes, no pressure

Good For You

Well, good for you, I guess you moved on really easily
You found a new girl, and it only took a couple weeks
Remember when you said that you wanted to give me the world?
And good for you, I guess that you've been working on yourself
I guess that therapist I found for you, she really helped
Now you can be a better man for your brand-new girl

Well, good for you, you look happy and healthy
Not me, if you ever cared to ask
Good for you, you're doing great out there without me, baby
God, I wish that I could do that
I've lost my mind, I've spent the night crying on the floor of my bathroom
But you're so unaffected, I really don't get it
But I guess good for you

Well, good for you, I guess you move on really easily

Levitating

If you wanna run away with me, I know a galaxy
And I can take you for a ride
I had a premonition that we fell into a rhythm
Where the music don't stop for life
Glitter in the sky, glitter in my eyes
Shining just the way I like
If you're feeling like you need a little bit of company
You met me at the perfect time

You want me, I want you, baby
My sugarboo, I'm levitating
The Milky Way, we're renegading
Yeah-yeah-yeah-yeah-yeah

I got you, moonlight, you're my starlight
I need you all night, come on, dance with me
I'm levitating
You, moonlight, you're my starlight
I need you all night, come on, dance with me
I'm levitating

You can fly away with me tonight
You can fly away with me tonight
Baby let me take you for a ride
I'm levitating

You can fly away with me tonight
You can fly away with me tonight
Baby let me take you for a ride

I got you, moonlight, you're my starlight
I need you all night, come on, dance with me
I'm levitating
You, moonlight, you're my starlight
I need you all night, come on, dance with me
I'm levitating!

Let's Find The Words by The McAuley Catholic High School, Hall Cross Academy, Luke Carver-Goss and Jim Lunt

Verse 1
On the brutal battle field, buildings tumblin' down
Bombs fall like rain, bloodshed all around
Bullets soaring through the sky, people wonder why
Will we ever meet again?
Friends, they say goodbye

Chorus 1
We will not run, we will not hide
We will not walk away from who we are inside
If I could stop a war, hold back the herd
I'd seize the power and strength in words
Let's find the words
Let's find the words

Verse 2
Hear the sound of shattered glass, soldiers hit the ground
Hide in the trench, the shot guns' brutal pound
Don't you know we hate this war, what's it all about?
Who can stop this battle roar?
Hear our desp'rate shout

Chorus 2
We will not run, we will not hide
We will not walk away from who we are inside
If I could stop a war, hold back the herd
I'd seize the power and strength in words
Let's find the words
Let's find the words

Rainbow by Astrea Academy Woodfields, Ridgewood School, Luke Carver-Goss and Jim Lunt

Verse 1
Like a flower in a wasteland, like a dog that runs away
Like the trees in the wind, I don't know what to say
Like a space on the paper, I don't know what to write
My mind is so empty, I stay up all night
But I look deep inside

Chorus 1
We're gonna turn this rain, into a rainbow
Gonna make the sun shine brighter
We're gonna shun this shame, won't feel no pain
Throw ourselves into the light
We're gonna turn this rain, into a rainbow
Gonna make the sun shine brighter
We're gonna shun this shame, won't feel no pain
Throw ourselves into the light

Verse 2
Like a hamster in a forest, squeaking to be found
Like a joke with no punchline, voices with no sound
Like a world that's been poisoned, like the earth without its air
Somethings gotta happen, it must be time to care
It's time to overcome

Chorus 2
We're gonna turn this rain, into a rainbow
Gonna make the sun shine brighter
We're gonna shun this shame, won't feel no pain
Throw ourselves into the light
We're gonna turn this rain, into a rainbow
Gonna make the sun shine brighter
We're gonna shun this shame, won't feel no pain
Throw ourselves into the light

Bridge
If the roots go deep enough
If I just close the gate
If I blow away the storm
I will know the way
If the roots go deep enough
If I just close the gate
If I blow away the storm
I will know my way

Chorus 4
We're gonna turn this rain, into a rainbow
Gonna make the sun shine brighter
We're gonna shun this shame, won't feel no pain
Throw ourselves into the light
We're gonna turn this rain, into a rainbow
Gonna make the sun shine brighter
We're gonna shun this shame, won't feel no pain

Throw ourselves into the light

We’re gonna turn this rain, into a rainbow

You Can Be Part Of The Show! by The Hayfield School, Outwood Academy Danum, Luke Carver-Goss and Jim Lunt

Verse 1
Don't be afraid of the darkness
Don't be afraid of the gloom
There's no monsters in sight to give you a fright
It's bright at the end of your room

Don't be afraid of the shadows
Enjoy your time in the light
Your life is your own, just see how you've grown
You know things will turn out alright

(music)

Chorus 1
You've gotta be brave and face the dark
You've gotta be cool, ignite the spark
You've gotta be free and make your mark
Say it like you mean it, live it like you dream it
Say that you'll never give up

You've gotta be brave to reach up high
You've gotta be tall to touch the sky
You've gotta take off so you can fly
Wearing your shades, you're gonna make the grades
You can be part of the show!

Verse 2
Don't be afraid of new people
Don't be afraid to make friends
In a couple of days you will laugh all the way
Until that wild party ends

Escalators shouldn't scare you
There's gonna be ups and some downs
Just hold on to that rail, 'cause you're not gonna fail
You'll know when you're not on the ground

Chorus 2
You've gotta be brave and face the dark
You've gotta be cool, ignite the spark
You've gotta be free and make your mark
Say it like you mean it, live it like you dream it
Say that you'll never give up

You've gotta be brave to reach up high
You've gotta be tall to touch the sky
You've gotta take off so you can fly
Wearing your shades, you're gonna make the grades
You can be part of the show!

Verse 3
Don't be afraid of the changes
Don't be afraid to move on
There's a long way to go, it's all part of that show
'Cause you're gonna fly to the sun

Don't be afraid to be noticed
Don't be afraid to sing loud
Though you're just one voice make a change, make a choice
And soon you'll stand out from the crowd

Chorus 3
You've gotta be brave and face the dark
You've gotta be cool, ignite the spark
You've gotta be free and make your mark

You Will Be Found by Benj Pasek and Justin Paul from the film and stage show 'Dear Evan Hansen'

Have you ever felt like nobody was there?
Have you ever felt forgotten in the middle of nowhere?
Have you ever felt like you could disappear?
Like you could fall, and no one would hear?

And oh, someone will come running
And I know, they'll take you home

Even when the dark comes crashing through
When you need a friend to carry you
And when you're broken on the ground
You will be found
So let the sun come streaming in
'Cause you'll reach up and you'll rise again
If you only look around
You will be found
You will be found
You will be found
You will be found
You will be found

There's a place where we don't have to feel unknown
And every time that you call out
You're a little less alone
If you only say the word
From across the silence your voice is heard

Even when the dark comes crashing through
When you need a friend to carry you
When you're broken on the ground
You will be found
So let the sun come streaming in
'Cause you'll reach up and you'll rise again
If you only look around

Soprano
You will be found
You will be found

You will be found…….

Alto
You will be found…….

You will be found……..

Baritones
You will be found
You will be found
You will be found

You will be found
