Sing Out 2023 Lyrics

Sing Out! by Owston Park Primary and Willow Primary School, Janet Wood and Jim Lunt in 2020 - our Sing Out anthem!

ALL
Sing, sing, sing out
Sing, sing, shake out!
Raise your hands up to the sky
Singing makes you want to fly
Sing out, sing out, sing out!

Sing, sing, sing out
Sing, sing, shake out!
Raise your hands up to the sky
Singing makes you want to fly
Sing out, sing out, sing out!
Two three four!

Chipmunk giddy, party happy
Dancing like a disco ball
Gibbering monkey, chicken funky
Surfing on a guitar board (chipmunk, monkey and chicken noises!)

Sing, sing, sing out!
Sing, sing, shake out!
Raise your hands up to the sky
Singing makes you want to fly
Sing out, sing out, sing out!
Two three four!

Helps with reading, makes us love it
We all want to sing some more
Makes things better, sing together
Even when you're doing your chores boo!

Sing, sing, sing out!
Sing, sing, shake out!
Raise your hands up to the sky
Singing makes you want to fly
Sing out, sing out, sing out!

Let it rain in singing notes
Bringing a rainbow of light
Open the door to happiness
And turn the whole world bright

Sing, sing, sing out!
Sing, sing, shake out!
Raise your hands up to the sky
Singing makes you want to fly
Sing out, sing out,
Sing out, sing out,
Sing out, sing out,
Sing out ‘cause we wanna fly!

Encanto – We Don't Talk About Bruno and Surface Pressure by Lin-Manuel Miranda

We Don't Talk About Bruno

ALL
We don't talk about Bruno, no, no, no!
We don't talk about Bruno… but!

MAIN LINE
It was my wedding day

HARMONY LINE
It was our wedding day

MAIN LINE
We were getting ready, and there wasn't a cloud in the sky

HARMONY LINE
No clouds allowed in the sky

MAIN LINE
Bruno walks in with a mischievous grin

HARMONY LINE
Thunder!

MAIN LINE
You telling this story or am I?

HARMONY LINE
I'm sorry, mi vida, go on

MAIN LINE
Bruno says, "It looks like rain"

HARMONY LINE
Why did he tell us?

MAIN LINE
In doing so, he floods my brain

HARMONY LINE
Abuela, get the umbrellas

MAIN LINE
Married in a hurricane

HARMONY LINE
What a joyous day but anyway

ALL
We don't talk about Bruno, no, no, no!
We don't talk about Bruno!

A seven-foot frame
Rats along his back
When he calls your name
It all fades to black
Yeah, he sees your dreams
And feasts on your screams

We don't talk about Bruno, no, no, no!
We don't talk about Bruno

MAIN LINE
He told me my fish would die
The next day dead!

HARMONY LINE
He told me I'd grow a gut!
And just like he said

ALL
He said that all my hair would disappear, now look at my head
Your fate is sealed when your prophecy is read

We don't talk about Bruno, no, no, no!
We don't talk about Bruno
Bruno!

Surface Pressure

ALL
Under the surface
I feel berserk as a tightrope walker in a three-ring circus
Under the surface
Was Hercules ever like, "Yo, I don't wanna fight Cerb'rus?"
Under the surface
I'm pretty sure I'm worthless if I can't be of service
A flaw or a crack
The straw in the stack
That breaks the camel's back
What breaks the camel's back, it's

Pressure, like a drip, drip, drip that'll never stop, whoa
Pressure that'll tip, tip, tip 'til you just go pop, whoa, oh, oh
Give it to your sister, your sister's older
Give her all the heavy things we can't shoulder
Who am I if I can't run with the ball?
If I falter

Pressure like a grip, grip, grip, and it won't let go, whoa
Pressure like a tick, tick, tick 'til it's ready to blow, whoa, oh, oh
Give it to your sister, your sister's stronger
See if she can hang on a little longer
Who am I if I can't carry it all?
If I falter

Pressure like a grip, grip, grip, and it won't let go, whoa
Pressure like a tick, tick, tick 'til it's ready to blow, whoa, oh, oh
Give it to your sister and never wonder

If the same pressure would've pulled you under
Who am I if I don't have what it takes?
No cracks, no breaks
No mistakes, no pressure!

Verse 1
I heard the moon singing
In a dark sky
As the long hours
Were passing me by

I heard the moon singing
Out into space
She held me soft
In her magic embrace

Chorus
And she said..
Hush little child
Don't you cry don't you weep
I will sing to you gently
Till you are asleep
Hush little child
Your dreams will come true
If I sing to you gently
Till the skies are blue

Verse 2
I heard the moon singing
Down to the world
She sang for us
All the boys and the girls

Chorus
And she said..
Hush little child
Don't you cry don't you weep
I will sing to you gently
Till you are asleep
Hush little child
Your dreams will come true
If I sing to you gently
Till the skies are blue

Verse 3
I heard the moon singing
Through night's pale thread
She sang like angels
While we were in bed

Chorus

I will sing to you gently
Till you are asleep
Hush little child
Your dreams will come true
If I sing to you gently
Till the skies are blue

As It Was

Holdin' me back
Gravity's holdin' me back
I want you to hold out the palm of your hand
Why don't you leave it at that?
Nothin' to say
When everything gets in the way
Seems you cannot be replaced
And I'm the one who will stay, oh

In this world, it's just us
You know it's not the same as it was
In this world, it's just us
You know it's not the same as it was
As it was, as it was
You know it's not the same as it was
As it was, as it was

Spaceman

If I was an astronaut, I'd be, floating in mid-air
And a broken heart would just belong to someone else down there
I would be the centre of my lonely universe
But I'm only human, and I'm crashing down to earth

I'm up in space, man
Up in space, man
I've searched around the universe
Been down some black holes
There's nothing but space, man
And I wanna go back home

I'm up in space, man
Up in space, man
I've searched around the universe
Been down some black holes
There's nothing but space, man
And I wanna go back home

Never Gonna Give You Up

We're no strangers to love
You know the rules and so do I
A full commitment's what I'm thinking of
You wouldn't get this from any other guy
I just wanna tell you how I'm feeling
Gotta make you understand

Never gonna give you up
Never gonna let you down
Never gonna run around and desert you
Never gonna make you cry
Never gonna say goodbye

Never gonna tell a lie and hurt you

Never gonna give you up
Let you down
Run around, desert you
Never gonna make you cry
Never gonna say goodbye
Never gonna tell a lie and hurt you
Never gonna give you up

Lionheart (Fearless)
To be fearless like a lionheart heart, heart, heart
And I feel it in my blood, blood, blood, blood
Like the stars that illuminate the sky
There's a fire in my lungs burning tonight
And I'm fearless like a lionheart heart, heart
A lionheart

Oh, I look in the mirror
Teardrops in my eye
Makes it hard to see clearer
Looking for a sign tonight

To be fearless like a lionheart heart, heart, heart
And I feel it in my blood, blood, blood, blood
Like the stars that illuminate the sky
There's a fire in my lungs burning tonight
And I'm fearless like a lionheart heart, heart
A lionheart

A Lionheart! **(safe shout)**
