Blinded By Your Grace by Uzoechi Osisioma Emenike, Michael Ebenazer Kwadjo Omari Owuo Junior, Fraser T Smith

ALL
I'm blinded by your grace
I'm blinded by your grace, by your grace
I'm blinded by your grace
I'm blinded by your

Lord I've been broken
Although I'm not worthy
You fixed me, I'm blinded by your grace
You came and saved me

Lord I've been broken
Although I'm not worthy
You fixed me, now I'm blinded by your grace
You came and saved me

I said a prayer this morning
I prayed I would find a way
To another day, I was so afraid
'Til you came and saved
You came and saved me

And the rain was pouring
'Cause the sun faded away
Now I'm in a better place
No longer afraid
Blinded by your grace
You came and saved me

I said a prayer this morning
I prayed I would find a way
To another day, I was so afraid
'Til you came and saved
You came and saved me
And the rain was pouring
'Cause the sun faded away
Now I'm in a better place
No longer afraid

Blinded by your grace
You came and saved me

Ev'ryone's got their own heartbeat
So ev'rybody follow your heart
Ev'ryone's got their own heartbeat
So ev'rybody follow your heart

Ev'ryone's got their own magic
We know we're not the same
All got a certain attraction
But we're playing the same game
Ev'ryone's got their own starlight
It's gleaming through the night
All get a special reaction
And we're shining oh so bright

Ev'ryone's got their own heartbeat
So ev'rybody follow your heart
Ev'ryone's got their own heartbeat
So ev'rybody follow your heart

Ev'ryone's got their own rhythm
Like beating on a drum
All got a diff'rent vibration
But we're singing out as one
Ev'ryone's got their own thinking
A way we can relate
All in a conversation
And a way to set things straight

Ev'ryone's got their own heartbeat
So ev'rybody follow your heart
Ev'ryone's got their own heartbeat
So ev'rybody follow your heart

Ev'ryone's got their own fire
An instinct to survive
Keep those flames arising
And you will be alive
Ev'ryone's got their own freedom
We're making our own moves
All in the right direction
You will find the one you love……

Heart of Stone by Lucy Moss and Toby Marlow, from the musical 'Six'

ALL
You've got a good heart
But I know it changes
A restless tide, untameable

You came my way, and I knew a storm could come too
You'd lift me high, or let me fall

But I took your hand, promised I'd withstand
Any blaze you blew my way
'Cause something inside, it solidified
And I knew I'd always stay

You can build me up, you can tear me down
You can try but I'm unbreakable
You can do your best, but I'll stand the test
You'll find that I'm unshakeable

Soprano
When the fire's burnt
When the wind has blown
When the water's dried, you'll still find stone

Alto + Baritone
The fire's burnt
The wind has blown
The water's dried, you'll still find stone

ALL
My heart of stone

Soprano + Alto (Baritones tacet)
Soon I'll have to go
I'll never see him grow
But I hope my son will know
He'll never be alone
'Cause like a river runs dry
And leaves it's scars behind
I'll be by your side

Soprano, Alto + Baritone
'Cause my love……..
Is set in stone

You can build me up, you can tear me down
You can try but I'm unbreakable
You can do your best, but I'll stand the test
You'll find that I'm unshakeable

Soprano
When the fire's burnt
When the wind has blown
When the water's dried, you'll still find stone

Alto + Baritone
The fire's burnt
The wind has blown
The water's dried, you'll still find stone

Soprano + Alto
My heart of stone……

Flowers

ALL
We were good, we were gold
Kinda dream that can't be sold
We were right 'til we weren't
Built a home and watched it burn
Mm, I didn't wanna leave you
I didn't wanna lie
Started to cry, but then remembered I

I can buy myself flowers
Write my name in the sand
Talk to myself for hours
Say things you don't understand
I can take myself dancing
And I can hold my own hand
Yeah, I can love me better than
Yeah, I can love me better than

Can love me better
I can love me better, baby
Can love me better
I can love me better, baby

Can love me better
I can love me better, baby
Can love me better
I can buy myself flowers

Dance the Night

ALL
Baby, you can find me under the lights
Diamonds under my eyes
Turn the rhythm up, don't you wanna just
Come along for the ride? I could dance, I could dance, I could dance

Watch me dance, dance the night away
My heart could be burnin', but you won't see it on my face
Watch me dance, dance the night away
I'll still keep the party runnin', not one hair out of place

Watch me dance, dance the night away
My heart could be burnin', but you won't see it on my face
Watch me dance, dance the night away
I'll still keep the party runnin', not one hair out of place

Soprano
When my heart breaks
When my world shakes
I don't play safe
Don't you know about me?
I could dance
I could dance I could dance
Dance the night!

Alto + Baritone
They'll never see it never see
I feel alive, I feel alive
Ooh
Know about me aha

I could dance I could dance
Dance the night!

Space Man

ALL
If I was an astronaut, I'd be, floating in mid-air
And a broken heart would just belong to someone else down there
I would be the centre of my lonely universe
But I'm only human, and I'm crashing down to earth

I'm up in space, man
Up in space, man
I've searched around the universe
Been down some black holes
There's nothing but space, man
And I wanna go back home

I'm up in space, man
Up in space, man
I've searched around the universe
Been down some black holes
There's nothing but space, man
And I wanna go back home

Dynamite

ALL
'Cause I-I-I'm in the stars tonight
So watch me bring the fire and set the night alight

This is getting heavy
Can you hear the bass boom? I'm ready
Life is sweet as honey
Yeah, this beat cha-ching like money
Disco overload, I'm into that, I'm good to go
I'm diamond, you know I glow up

'Cause I-I-I'm in the stars tonight
So watch me bring the fire, set the night alight hey!
Shining through the city with a little funk and soul
So I'ma light it up like dynamite, whoa oh oh

Dy-na-na-na, na-na, na-na, ay
Dy-na-na-na, na-na, na-na, ay
Dy-na-na-na, na-na, na-na, ay

Light it up with dynamite

Dy-na-na-na, na-na, na-na, ay
Dy-na-na-na, na-na, na-na, ay
Dy-na-na-na, na-na, na-na, ay
Light it up with dynamite

Soprano + Baritone
'Cause I-I-I'm in the stars tonight
So watch me bring the fire, set the night alight

So I'ma light it up like dynamite, whoa oh oh

Let's Find The Words by The McAuley Catholic High School, Hall Cross Academy, Luke Carver-Goss and Jim Lunt

Verse 1
On the brutal battle field, buildings tumblin' down
Bombs fall like rain, bloodshed all around
Bullets soaring through the sky, people wonder why
Will we ever meet again?
Friends, they say goodbye

Chorus 1
We will not run, we will not hide
We will not walk away from who we are inside
If I could stop a war, hold back the herd
I'd seize the power and strength in words
Let's find the words
Let's find the words

Verse 2
Hear the sound of shattered glass, soldiers hit the ground
Hide in the trench, the shot guns' brutal pound
Don't you know we hate this war, what's it all about?
Who can stop this battle roar?
Hear our desp'rate shout

Chorus 2
We will not run, we will not hide
We will not walk away from who we are inside
If I could stop a war, hold back the herd
I'd seize the power and strength in words
Let's find the words
Let's find the words

Open the Door by Ridgewood School, Hall Cross Academy, Luke Carver-Goss and Jim Lunt

ALL
Who's that ringing the bell?
Who's that there at my door?
Who's the one gonna say to me?
What my world is gonna be?
Who's the one that's gonna shout?
What my life is all about?

Open the door, let them in
Rock n' roll into my soul
C'mon lead me to my goal so
Open the door, let them in
Rock n' roll into my soul
Lead me to my goal

Who's that calling my phone?
Left a message today?
Can't you see I'm waiting here?
Spell it out, make it clear
Who's the one gonna save the day?
Show me how to find my way?

Open the door, let them in
Rock n' roll into my soul
C'mon lead me to my goal so

On the rooftops hear me sing
Listen to me spread my wings

All my fears all my doubts
Let them go, let them out
All my fears all my doubts
Let them go, let them out

Queen Medley by Freddie Mercury, Roger Taylor and Brian May

Bohemian Rhapsody

ALL
Mama, just killed a man
Put a gun against his head
Pulled my trigger now he's dead
Mama, life had just begun
But now I've gone and thrown it all away

Mama oo, didn't mean to make you cry
If I'm not back again this time tomorrow
Carry on, carry on
As if nothing really matters

Radio Gaga

ALL
I'd sit alone and watch your light
My only friend through teenage nights
And ev'rything, I had to know I heard it on my radio

So don't become some background noise
A backdrop for the girls and boys
Who just don't know or just don't care
And just complain when you're not there
You had your time, you had the power
You've yet to have your finest hour
Radio

All we hear is Radio gaga, Radio goo goo, Radio gaga
All we hear is Radio gaga, Radio blah blah
Radio what's new?
Radio, someone still loves you……

We Will Rock You

ALL
Buddy you're a boy make a big noise
Playing in the street, gonna be a big man some day
You got mud on your face, you big disgrace
Kicking your can all over the place

We will we will rock you
We will we will rock you

Buddy you're an old man, poor man
Pleading with your eyes gonna make you some peace some day
You got mud on your face, you big disgrace
Somebody better put you back into your place

We will we will rock you
We will we will rock you
We will we will rock you
We will we will rock you….

We Are The Champions

Baritone
I've paid my dues, time after time
I've done my sentence, but committed no crime

Soprano + Alto
And bad mistakes, I've made a few

ALL
I've had my share of sand kicked in my face
But I've come through
And I need to go on and on and on and on

We are the champions my friends
And we'll go on fighting 'til the end
We are the champions, we are the champions
No time for losers 'cause we are the champions
Of the world…..
