Sing Out 2024 Lyrics

Sing Out by Owston Park Primary, Willow Primary School, Janet Wood and Jim Lunt

ALL
Sing, sing, sing out
Sing, sing, shake out!
Raise your hands up to the sky
Singing makes you want to fly
Sing out, sing out, sing out!

Sing, sing, sing out
Sing, sing, shake out!
Raise your hands up to the sky
Singing makes you want to fly
Sing out, sing out, sing out!
Two three four!

Chipmunk giddy, party happy
Dancing like a disco ball
Gibbering monkey, chicken funky
Surfing on a guitar board (*chipmunk, monkey and chicken noises!*)

Sing, sing, sing out!
Sing, sing, shake out!
Raise your hands up to the sky
Singing makes you want to fly
Sing out, sing out, sing out!
Two three four!

Helps with reading, makes us love it
We all want to sing some more
Makes things better, sing together
Even when you're doing your chores boo!

Sing, sing, sing out!
Sing, sing, shake out!
Raise your hands up to the sky
Singing makes you want to fly

Sing out, sing out, sing out!

Let it rain in singing notes
Bringing a rainbow of light
Open the door to happiness
And turn the whole world bright

Sing, sing, sing out!
Sing, sing, shake out!
Raise your hands up to the sky
Singing makes you want to fly
Sing out, sing out,
Sing out, sing out,
Sing out, sing out,
Sing out ‘cause we wanna fly!

Behind the Mirror by Southfield Primary School, Toll Bar Primary School, Warmsworth Primary School, Luke Carver-Goss and Jim Lunt

Behind the mirror
Beyond the glass
A magical world
Is waiting for me da da da
Take a look and a step
Take a stride and a peak
Come along for the ride and you'll see

I saw a giant moon
Rise above a dark alley
The evening started to loom
And when I got closer
I heard to my horror
A terrible crash and a boom

I crept right along
Down into the alley
A magical monster arose
It was a pink griffin
High up on a building
So I stopped to look
Then I froze

Behind the mirror
Beyond the glass
A magical world
Is waiting for me da da da
Take a look and a step
Take a stride and a peak
Come along for the ride and you'll see

I ran and I ran
Away through the darkness
I staggered and started to fall
By trees near a woodland
I heard a new sound
Adventure had spookily called

Behind the mirror
Beyond the glass

A magical world
Is waiting for me da da da
Take a look and a step
Take a stride and a peak
Come along for the ride and you'll see

New griffins appeared
They sang from the branches
The colour of them was quite green
I listened with pleasure
To glorious music
And melody fit for a Queen

The pink griffin came
And she was a guitarist
She strummed and was playing along
They set up as band mates
And soon started dancing
And waltzed through the night to this song

Behind the mirror
Beyond the glass
A magical world
Is waiting for me da da da da
Take a look and a step
Take a stride and a peak
Come along for the ride and you'll see….

Take a look and a step
Take a stride and a peak
Come along for the ride and you'll see!

I Love Rock and Roll

I wanna rock
I want to rock
Wooh….

I love rock and roll
So put another dime in the juke box baby

So come and take your time and dance with me

I love rock and roll
So put another dime in the juke box baby
I love rock and roll
So come and take your time and dance with me…….
Ah……

We Built this City

We built this city

We built this city on rock and roll…..

We built this city
We built this city on rock and roll
Built this city
We built this city on rock and roll….

Don't Stop Believing

Just a small town girl
Livin' in a lonely world

She took the midnight train going anywhere

Just a city boy
Born and raised in South Detroit
He took the midnight train it goes on and on and on and on

Don't stop believing, hold on to that feeling
Streetlight people….
Don't stop believing, hold on to that feeling
Streetlight people….
Don't stop!

The Final Countdown

We're leaving together, but still it's farewell
And maybe we'll come back
To earth who can tell?
I guess there is no one to blame
We're leaving ground
Will things ever be the same again?

It's the final countdown
The final countdown

Ah……..

I gotta rock rock rock rock
I love woo……..rock!

I've been to Harlem, I've been to Dover
I've travelled this wide world all over
Over, over, three times over
Drink all the lemonade and turn the glass over

Sailing east, sailing west
Sailing over the ocean
Better watch out when the boat begins to rock
Or you'll lose your lunch in the ocean

I know a girl that you don't know Lil 'Liza Jane
Way down south in Baltimore, Lil 'Liza Jane

Wellerman

There once was a ship that put to sea
The name of the ship was the Billy O' Tea
The winds blew up, her bow dipped down
Oh blow, my bully boys, blow huh!

Soon may the Wellerman come
To bring us sugar and tea and rum
One day, when the tonguing is done
We'll take our leave and go

She'd not been two weeks from shore
When down on her a right whale bore
The captain called all hands and swore
"We'll take that whale and tow huh!

Soon may the Wellerman come
To bring us sugar and tea and rum
One day, when the tonguing is done
We'll take our leave and go

Da-da-da-da-da-da
Da-da-da-da-da-da-da-da-da
Da-da-da-da-da-da
Da-da-da-da-da-da

Soon may the Wellerman come

Sun Will Arise by Bessacarr Primary School, Luke Carver-Goss and Jim Lunt

By the light of the shining stars
I will rock you to sleep in my arms
By the sight of the rising moon
I will rock you to sleep with this tune

Rock you to sleep
Rock you to sleep
Rest till the day it is dawning
Rock you to sleep
Rock you to sleep
Sun will arise in the morning

By the touch of a teddy bear
I will rock you to sleep with great care
By the smell of a newborn babe
I will cradle you oh so safe

Rock you to sleep
Rock you to sleep
Rest till the day it is dawning
Rock you to sleep
Rock you to sleep
Sun will arise in the morning

Main Line	Harmony Line

Revolting Children

We are revolting children
Living in revolting times
We sing revolting songs
Using revolting rhymes
We'll be revolting children
'Til our revolting's done
And we'll have the Trunchbull bolting
We're revolting

We are revolting children
Living in revolting times

We sing revolting songs
Using revolting rhymes
We'll be revolting children
'Til our revolting's done
And we'll have the Trunchbull bolting
We're revolting

(Safe shouting)
We are a screaming horde!
Take out your hockey stick, and use it as a sword!
Never again will we be ignored!
We'll find out where the chalk is stored
And draw rude pictures on the board!
It's not insulting
We're revolting!

Green Green Grass

We go together, Adam and Eve
But the girl is so much more than just another apple thief
Yeah, she's a genius watch and learn
How she spins the world around
Just to watch the planet turn

Loaded up when the sun comes down
Getaway car for two young lovers
Me and the girl straight out of town
Over the hills and undercover, undercover, undercover

She said green green grass, blue, blue sky
You better throw a party on the day that I die
Green green grass, blue blue sky
You better throw a party on the day that I die

Green green grass, blue, blue sky
You better throw a party on the day that I die
Green green grass, blue, blue sky
You better throw a party on the day that I die

Roar

I used to bite my tongue and hold my breath
Scared to rock the boat and make a mess
So I sat quietly, agreed politely
I guess that I forgot I had a choice
I let you push me past the breaking point
I stood for nothing, so I fell for everything
You held me down, but I got up hey!
Already brushing off the dust
You hear my voice, you hear that sound
Like thunder, gonna shake the ground
You held me down, but I got up hey!
Get ready 'cause I've had enough
I see it all, I see it now

I got the eye of the tiger, a fighter
Dancing through the fire
'Cause I am a champion, and you're gonna hear me roar
Louder, louder than a lion
'Cause I am a champion, and you're gonna hear me roar
Oh-oh-oh-oh-oh..
Oh-oh-oh-oh-oh..
Oh-oh-oh-oh-oh..
You're gonna hear me roar!
