Sing and Sign 2025 Lyrics

Did You Ever Have A Dream by Coppice School and Moony Wainwright, arranged by Jim Lunt

Did you ever have a dream?
Did you ever have a dream?
Did you dream in your bed?
Did you dream in your head?
Did you ever have a dream?

Dream in the day? Dream in the night
Dream about Chinese food, or the courage of the might
Dream about doughnuts, dream about a job
Dream about the songs, working with Bob

Did you ever have a dream?
Did you ever have a dream?
Did you dream in your bed?
Did you dream in your head?
Did you ever have a dream?

Dream about spag bol
Dream about a motor car
Dream about Caleb, he's a TV star
Dream about a giggle, dream about a cry
Dream about the sun, the clouds in the sky

Did you ever have a dream?
Did you ever have a dream?
Did you dream in your bed?
Did you dream in your head?
Did you ever have a dream?

Ride a horse and cart, shooting an arrow like a dart
Painting pictures like art, eat a custard tart
Follow your heart, you can run from the start
Skateboard like Bart, now add your part

Did you ever have a dream?
Did you ever have a dream?
Did you dream in your bed?

Did you dream in your head?
Did you ever have a dream?

Did you dream in your bed?
Did you dream in your head?
Did you ever have a dream

Dream Jobs Part 1 by Stone Hill School and Moony Wainwright, arranged by Jim Lunt

I want to be a bus driver
I'll take you into town
Playing my piano
In my dressing gown

I want to be a horse jockey teacher
I'll teach you how to ride
We'll gallop around the playground
Having fun outside

Dream jobs we want to do
Dream jobs for me and you

I want to be a wrestler
With Cody Rhodes, in the WWE
I'm going to compete in Gladiators
On the BBC

I want to be an animator
Making a musical comedy cartoon
Or I'll work at Pets at Home
Blowing up pet balloons

Dream jobs we want to do
Dream jobs for me and you

I want to be a pop star
Just like Ed Sheeran
Or I'll be his chauffeur
Driving him to stadiums… WEMBLEY!

I want to be a fashion dancer
In the rainbow world
Or I'll be a cartoon villain
Scaring boys and girls

Dream jobs we want to do
Dream jobs for me and you
Dream jobs we want to do
Dream jobs for me and you
DREAM JOBS!

I Am Brave by Pennine View School and Moony Wainwright, arranged by Jim Lunt

I'm a YouTube streamer
A heart lead dreamer
A graphic artist
I bring the page to life

I want to save lives
And prove them wrong
Yes I'm ambitious
And I am strong
I want to save lives
And prove them wrong
Yes I'm ambitious
And I am strong

I'll fix your washing machine
So your clothes are nice and clean
I'm a heart paramedic
I'll be there when you need me

I want to save lives
And prove them wrong
Yes I'm ambitious
And I am strong
I want to save lives
And prove them wrong
Yes I'm ambitious
And I am strong

I'll write you a story
To go with your pictures
About a policeman
Fighting against crime

I want to save lives
And prove them wrong
Yes I'm ambitious
And I am strong
I want to save lives
And prove them wrong
Yes I'm ambitious
And I am strong

I am brave, I am strong

You and me, we'll prove them wrong
I am brave, I am strong
You and me, we'll prove them wrong, I am brave

Change The World by Doncaster College and Moony Wainwright, arranged by Jim Lunt

If I were to change the world
If anything was possible
From negative to positive
That would make me feel so great
With you, with you, with you

Arguments make people fight
When one person thinks they're right
Telling stories about lies
Change it up to honesty and truth

If I were to change the world
If anything was possible
From negative to positive
That would make me feel so great
With you, with you, with you

Many people feeling stressed
Time to put your mind to rest
Sit down with a friend and talk it through, talk it through

If I were to change the world
If anything was possible
From negative to positive
That would make me feel so great
With you, with you, with you

Change the world and make it better **(sing 6x)**

If I were to change the world
If anything was possible
From negative to positive
That would make me feel so great
With you, with you, with you

Wishes Can Come True by North Ridge Community School and Moony Wainwright, arranged by Jim Lunt

I wish I was a princess
Beauty and the beast
Flying on my carpet
North, west, south and east

Oh wishes can come true
Keep them safe for you
Wishes can come true
Keep them safe for you

I wish that I could swim
Like a fish free in the sea
Hiding in the rocks
Looking for my tea

I wish I had a park
Just for me and you
A tube slide and a swing
Big enough for two

Oh wishes can come true
Keep them safe for you
Wishes can come true
Keep them safe for you

Keep them in your brain
Keep them in your head
Keep them in your diary
When you go to bed

Dream dream away
Dream dream today
Dream dream away
Dream your life away

Oh wishes can come true
Keep them safe for you
Wishes can come true
Keep them safe for you
Wishes can come true!

It can make you laugh or cry

Along the forest path
The sign for fun is…
We use it when we laugh

Signing helps us talk to people
Helps us understand
If we can, we use our voice
Together with our hands

Pop Medley by Pharrell Williams, Max Martin, Shellback and Justin Timberlake, Katy Perry, Mikkel Eriksen, Tor Erik Hermansen, Sandy Wilhelm and Ester Dean, arranged by Jim Lunt

Happy

It might seem crazy what I'm about to say
Sunshine she's here, you can take a break
I'm a hot air balloon that could go to space
With the air, like I don't care baby by the way

Clap along if you feel like a room without a roof
Clap along if you feel like happiness is the truth
Clap along if you know what happiness is to you
Clap along if you feel like that's what you wanna do
Because I'm happy!

Can't Stop The Feeling

I got this feeling inside my bones
It goes electric, wavy when I turn it on
All through the city, all through my home
We're flying up, no ceiling, when we in our zone

I got that sunshine in my pocket
Got that good song in my feet
I feel that hot blood in my body when it drops ooh!
I can't take my eyes up off it, moving so phenomenally
Room on lock the way we rock it, so don't stop

I can't stop the feeling so just dance dance dance
I can't stop the feeling so just dance dance dance
I can't stop the feeling so just dance dance dance
I can't stop the feeling so keep dancing

Firework

'Cause baby you're a firework
Come on show 'em what you're worth
Make 'em go "Aah aah aah"
As you shoot across the sky y y

Baby you're a firework
Come on let your colours burst
Make 'em go "Aah aah aah"
You're gonna leave them all in awe awe awe

Boom boom boom, even brighter than the moon moon moon
Boom boom boom, even brighter than the moon moon moon
Baby you're a fire work!
