# Sing Out 2026 Lyrics

**Sing Out** by Owston Park Primary, Willow Primary School, Janet Wood and Jim Lunt

**ALL**
Sing, sing, sing out
Sing, sing, shake out!
Raise your hands up to the sky
Singing makes you want to fly
Sing out, sing out, sing out!

Sing, sing, sing out
Sing, sing, shake out!
Raise your hands up to the sky
Singing makes you want to fly
Sing out, sing out, sing out!
Two three four!

Chipmunk giddy, party happy
Dancing like a disco ball
Gibbering monkey, chicken funky
Surfing on a guitar board (*chipmunk, monkey and chicken noises!*)

Sing, sing, sing out!
Sing, sing, shake out!
Raise your hands up to the sky
Singing makes you want to fly
Sing out, sing out, sing out!
Two three four!

Helps with reading, makes us love it
We all want to sing some more
Makes things better, sing together
Even when you're doing your chores boo!

Sing, sing, sing out!
Sing, sing, shake out!
Raise your hands up to the sky
Singing makes you want to fly

Sing out, sing out, sing out!

Let it rain in singing notes
Bringing a rainbow of light
Open the door to happiness
And turn the whole world bright

Sing, sing, sing out!
Sing, sing, shake out!
Raise your hands up to the sky
Singing makes you want to fly
Sing out, sing out,
Sing out, sing out,
Sing out, sing out,
Sing out ‘cause we wanna fly!

## Heigh Ho

We dig dig dig dig dig dig dig in our mine the whole day through
To dig dig dig dig dig dig dig is what we like to do
And while we dig we always sing
For when you dig there ain't a better thing
Than a tune, than a tune
You can whistle or can croon

Heigh ho, heigh ho it's off to work we go
Just keep on singing all day long
Heigh ho, heigh ho, heigh ho
Heigh ho, heigh ho for if you're feeling low
You positively can't go wrong with a heigh, heigh ho

## Hakuna Matata

**(spoken)**
Hakuna Matata, what a wonderful phrase
Hakuna Matata,

**(sung)**
Ain't no passing craze
It means no worries, for the rest of your days
It's our problem free, philosophy
Hakuna Matata

Ah……. Ah…….

**(chant)**
Hakuna Matata, hakuna matata, hakuna matata, hakun

**(sung)**
Hakuna Matata, what a wonderful phrase
Hakuna Matata, ain't no passing craze
It means no worries, for the rest of your days
It's our problem free, philosophy
Hakuna Matata

## Under The Sea

The seaweed is always greener in somebody else's lake
You dream about going up there, but that is a big mistake
Just look at the world around you, right here on the ocean floor
Such wonderful things around you, what more is you looking for?

Under the sea, under the sea
Darlin' it's better down where it's wetter
Take it from me
Up on the shore they work all day, out in the sun they slave away
While we're devotin' full time to floatin' under the sea

## Supercalifragilisticexpialidocious

When trying to express oneself, it's frankly quite absurd
To leaf through lengthy lexicons, to find the perfect word
A little spontaneity keeps conversation keen
You need to find a way to say precisely what you mean

Supercalifragilsticexpialidocious!
Even though the sound of it is something quite atrocious
If you say it loud enough you'll always sound precocious
Supercalifragilsticexpialidocious!

Um diddle idle idle um diddle I
Um diddle idle idle um diddle I
Um diddle idle idle um diddle I
Um diddle idle idle um diddle I

S U P E R
C A L I F
R A G I L
I S T I C E X P I A L I D O
C I O U S

Supercalifragilsticexpialidocious!
Even though the sound of it is something quite atrocious
If you say it loud enough you'll always sound precocious
Supercalifragilstic

Su - per – ca – li – fra – gi – lis – tic
ex – pi – a – li – do – cious
Supercalifragilsticexpialidocious!

**In My Mind** by Copley Junior School, St Peter's Catholic Primary School and Luke Carver Goss, arranged by Jim Lunt

In my mind, in my mind, in my mind, in my mind
In my mind, in my mind, it's all in my mind

I saw a dog on a log
A frog in the fog
I saw a sheep in a jeep
A peach fast asleep
I saw a mango, do the tango
I saw a snake-o, do the shake-o
I danced with wonkey, crazy donkey
Eating a cake-o down by the lake-o

In my mind, in my mind, in my mind, in my mind
In my mind, in my mind, it's all in my mind

I saw a cat in a hat
A rat on the mat
I saw a pie in the sky
Don't know why
Don't know why
I saw a mango, do the tango
I saw a snake-o, do the shake-o
I danced with wonkey, crazy donkey
Eating a cake-o down by the lake-o

In my mind, in my mind, in my mind, in my mind
In my mind, in my mind, it's all in my mind

I saw a pig do a jig
Ate a fig, wore a wig
I saw a pear in the air
Don't know where, somewhere there!
I saw a mango, do the tango
I saw a snake-o, do the shake-o
I danced with wonkey, crazy donkey
Eating a cake-o down by the lake-o…..

In my mind, in my mind, in my mind, in my mind
In my mind, in my mind, it's all in my mind!

In my mind, in my mind, in my mind, in my mind
In my mind, in my mind, it's all in **(shout)** in my mind!

### Wandering Star

I was born under a wan'd'rin star
I was born under a wan'd'rin star
Wheels were made for rollin', mules were made to pack
I never seen a sight that didn't look better looking back
I was born under a wan'd'rin star
I was born under a wan'd'rin star

### Take Me Home Country Roads

Almost heaven, West Virginia
Blue Ridge Mountains, Shenandoah River
Life is old there, older than the trees
Younger than the mountains
Growing like a breeze

Country roads take me home
To the place I belong
West Virginia, Mountain Mama
Take me home, country roads

Country roads take me home
To the place I belong
West Virginia, Mountain Mama
Take me home, country roads

### The Farmer and The Cowman

Oh the farmer and the cowman should be friends
Oh the farmer and the cowman should be friends
One man likes to push a plough
The other likes to chase a cow
But that's no reason why they can't be friends

Territory folks should stick together
Territory folks should all be pals
Cowboys dance with the farmers' daughters
Farmers dance with the ranchers gals

**(instrumental)**

Hey hey yee hah!
Hey hey yee hah!
Hey hey yee hah!

Yee…….hah!

Territory folks should stick together
Territory folks should all be pals
Cowboys dance with the farmers' daughters
Farmers dance with the ranchers gals

**Cotton Eye Joe**
If it hadn't been for Cotton Eye Joe
I'd been married a long time ago
Where did you come from where did you go?
Where did you come from Cotton Eye Joe?

If it hadn't been for Cotton Eye Joe
I'd been married a long time ago
Where did you come from where did you go?
Where did you come from Cotton Eye Joe?

**(instrumental)**

He came to town like a midwinter storm
He rode through the fields so handsome and strong
His eyes was his tools and his smile was his gun
But all he had come for was having some fun

If it hadn't been for Cotton Eye Joe
I'd been married a long time ago
Where did you come from where did you go?
Yee…….hah!

**One Plus One** by Travis St Lawrence C of E Primary School, Holy Family Catholic Primary School and Luke Carver Goss, arranged by Jim Lunt

You're my magic, you're my magic, you're my magic number

One heart, all alone and feeling sad
One heart, feeling lonely seeing bad
Don't cry, I will always be nearby
Don't cry, I see the sadness in your eyes

One plus one, we'll walk the dusty road together
And touch the sun, you know that we'll be friends forever
One plus one, is me and you
Promise me you'll always see it through
Cos you're my magic, you're my magic, you're my magic number
You're my magic, you're my magic, you're my magic number

Two souls keeping steady on the track
Two souls, never ever looking back
Look up, see them run to higher ground
Look up, feel the sunshine all around

One plus one, we'll walk the dusty road together
And touch the sun, you know that we'll be friends forever
One plus one, is me and you
Promise me you'll always see it through
Cos you're my magic, you're my magic, you're my magic number
You're my magic, you're my magic, you're my magic number

Oh.. oh.. oh..

One plus one, we'll walk the dusty road together

Promise me you'll always see it through
Cos you're my magic, you're my magic, you're my magic number
You're my magic, you're my magic, you're my magic number

**I'm A Believer** by Neil Diamond, arranged by Jim Lunt

I thought love was only true in fairy tales
Meant for someone else but not for me
Love was out to get me
That's the way it seemed
Disappointment haunted all my dreams

Then I saw her face
Now I'm a believer
Not a trace, of doubt in my mind
I'm in love
Now I'm a believer
I couldn't leave her if I tried

**Main line**
I thought love was more or less a given thing
Seems the more I gave, the less I got
What's the use in tryin'
All you get is pain
When I needed sunshine I got rain
I got rain….

Then I saw her face
Now I'm a believer
Not a trace
Of doubt in my  mind

**Harmony line**
Ooh….. ooh ooh
Ooh….. oh yeah!
Do do do do
Do do do do
I got rain
I got rain….

I saw her face
I saw her face
No not a trace
In my mind

**ALL**
I'm in love…..
Now I'm a believer
I couldn't leave her if I tried
I believe (clap clap clap)
I believe (clap clap clap)

**Main line**
I believe (sing 7 times)

I believe…….

**Harmony line**
I believe, I believe
I believe, I believe
I believe…….

If you feel uninvolved
And it can't be resolved
What do you do?
What do you do?

The world will be

**Mystical Magical**
This thing is driving me crazy
I wanna give you the world
Not saying you gotta chase me
But I wouldn't mind it
If you gave me just a little bit
Of something we can work it with
But all you do is push me out

Once you know what my love's gonna be like
Nothing else will seem right
You can feel like
Moonbeam, ice cream, dancing in your blue jeans
Dancing at the movies

'Cause it feels so mystical, magical oh baby
'Cause once you know, once you know my love is so
Mystical, magical oh baby 'cause once you know, once you know

| Main Line | Harmony Line |

**ALL**
My love is so mystical, magical

**Die With A Smile**
I, I just woke up from a dream
Where you and I had to say goodbye
And I don't know what it all means
But since I survived I realised
Wherever you go, that's where I'll follow

Nobody's promised tomorrow
I'll hold your hand and treat you right like it's the last night
Like it's the last night

If the world was ending, I'd wanna be next to you…..
If the party was over and our time on earth was through…..
I'd wanna hold you just for a while and die with a smile
If the world was ending, I'd wanna be next to you

**Steve's Lava Chicken**
La la la lava
Ch ch ch chicken
Steve's Lava Chicken yeah it's tasty as well
Ooh mamacita now you're ringing the bell
Crispy and juicy now you're having a snack
Ooh super spicy it's a lava attack!

**Golden**
**The second line is the phonetic spelling of the original Korean phrase*
I was a ghost, I was alone, ha
Du who jin, ha, gil sok eh*
Given a throne, I didn't know, how
To believe, now, I'm the queen that I'm meant to be

I've lived two lives, tried to play both sides
But I couldn't find my own place
Called a problem child, 'cause I got too wild
But now that's how I'm getting paid

We're going up up up it's our moment
You know together we're glowin'
Gonna be gonna be golden oh…
Up up up with our voices
You know together we're glowin'
Gonna be gonna be golden oh….

Gonna be gonna be golden
We're gonna be gonna be
Gonna be gonna be glowin'
And be who we wanna be
You know that it's our time
No fears no lies that's who,  we're, gon…na….be…..
We're gonna be
**(safe shout)** Gonna be!
