Sing and Sign 2026 Lyrics

Makaton Rocks by Coppice School, Janet Wood and Jim Lunt

Chorus
Makaton rocks
Makaton rocks
Oh yeah! Oh yeah!
Makaton rocks
Makaton rocks
Oh yeah! Oh yeah
Signing is cool
At home and at school
Makaton rocks
Makaton rocks
Oh yeah! Oh yeah!

The sign for picnic is…
We like to eat outside
The sign for book is…
It can make you laugh or cry

Chorus

The sign for walk is…
Along the forest path
The sign for fun is…
We use it when we laugh

Chorus

Signing helps us talk to people
Helps us understand
If we can, we use our voice
Together with our hands

2 x Chorus

Makaton rocks
Makaton rocks!

A Truth and A Lie by Pennine View School and Moony Wainwright, arranged by Jim Lunt

I like buses
I don't like Galaxy
I love science
My best friend's Dagne
I like finding bones on the west seacoast
But not in Cleethorpes

I love singing and maybe
I might dye my hair blue in the summer
I like rabbits and dogs
My brother throws logs
In the park

A truth and a lie for everyone
Sing along, sing along

I never swear
I listen to teachers
I made a phone stand on a 3D printer
I do backflips
While eating chips
In the garden

I like chocolate cake
I'm not a fan of Blake
A train driver
A school skiver
Our school dog's mini
His name is Vinny
And he steals toast
Stop that thief!

A truth and a lie for everyone
Sing along, sing along

And it's getting to the end
And there's one guy missing
He's a great friend
He's a great friend

He's a great friend
Woah woah

A truth and a lie for everyone
Sing along, sing along

A truth and a lie for everyone
Sing along, sing along

I Am The Best Star by North Ridge Community School and Moony Wainwright, arranged by Jim Lunt

I am the best star, I sing it out loud
These are our choices, hear our voices
I am the best star, I sing it out loud
These are our choices, hear our voices

Yes to rock music in dad's car
No to rats and spiders
Yes to swimming in the pool
No to rainy days
Yes to guitars and rock and roll
No to grumpy faces
Yes to swinging on a swing on Fridays

I am the best star, I sing it out loud
These are our choices, hear our voices
I am the best star, I sing it out loud
These are our choices, hear our voices

Yes to Fortnite and Roblox
No to Brussel sprouts
Yes to seaside fish and chips
No to broccoli, broccoli!
Yes to drawing my own house
No to broken games
Yes to ice hockey Sheffield
Lets go Steelers let's go, let's go, let's go!

(quietly)
I am the best star, I sing it out loud
These are our choices, hear our voices

(loud)
I am the best star, I sing it out loud
These are our choices, hear our voices

I am the best star, broccoli!

I change the world in little ways
With all the things I do, hey hey hey!

And say mmmmm

About rainbows and numbers or anything you want
I can move so fast and tap you on the head
I can juggle three balls and be a good friend

With all the things I do, hey hey hey!
And say, hey hey hey!

Did You Ever Have A Dream by Coppice School and Moony Wainwright
in 2025, arranged by Jim Lunt

Did you ever have a dream?
Did you ever have a dream?
Did you dream in your bed?
Did you dream in your head?
Did you ever have a dream?

Dream in the day? Dream in the night
Dream about Chinese food, or the courage of the might
Dream about doughnuts, dream about a job
Dream about the songs, working with Bob

Did you ever have a dream?
Did you ever have a dream?
Did you dream in your bed?
Did you dream in your head?
Did you ever have a dream?

Dream about Spag-bol
Dream about a motor car
Dream about Caleb, he's a TV star
Dream about a giggle, dream about a cry
Dream about the sun, the clouds in the sky

Did you ever have a dream?
Did you ever have a dream?
Did you dream in your bed?
Did you dream in your head?
Did you ever have a dream?

Ride a horse and cart, shooting an arrow like a dart
Painting pictures like art, eat a custard tart
Follow your heart, you can run from the start
Skateboard like Bart, now add your part

Did you ever have a dream?
Did you ever have a dream?
Did you dream in your bed?
Did you dream in your head?

Did you ever have a dream?

Did you dream in your bed?
Did you dream in your head?
Did you ever have a dream?

If the world was ending, I'd wanna be next to you…..
If the party was over and our time on earth was through…..
I'd wanna hold you just for a while and die with a smile
If the world was ending, I'd wanna be next to you
